Mail Order Form

Variety	Tasting Notes	Price	Number	Total
2004 Pinot Noir	Pale cherry colour, close to a rose and just as clean and light but with much more raspberry cherry flavours, balanced structure and drier than most wines of this style. Lovely light drinking!	**$25**		
2005 Chardonnay	An unwooded style with flavours of spiced peaches and nectarines on an intense, beautifully balanced palate, the crisp acid backbone carrying through to a lovely fresh fruit finish.	**$20**		
2006 Riesling	A crisp, ever so fresh Riesling displaying delightful floral and passionfruit characteristics on the nose and palate. This is a wine of considerable potential and will develop complexity over the next few years while always retaining a clean citrus finish.	**$20**		
2005 Riesling	Fairly restrained nose but a lot more going on on the palate with attractive citrus, green apple and spice flavours, nicely focused, pure and pristine.	**$20**
